Significant Events - The GMC state that a significant event (also known as an untoward or critical incident) is any unintended or unexpected event, which could or did lead to harm of one or more patients. This includes incidents which did not cause harm but could have done, or where the event should have been prevented. All doctors as part of revalidation are required to record and reflect on Significant events in their work with the focus on what you have learnt as a result of the event/s. Please note that you do not need to list any significant events that were not investigated.

Please select one of the following:

I am not aware of any unresolved significant event(s) investigation(s) since my last ARCP ☐

I have unresolved significant event(s) investigation(s) since my last ARCP ☐

Please provide details of any investigation(s) you have been involved in since your last ARCP. Resolved investigation(s) should be reflected upon in your portfolio therefore please provide a brief summary and a reference to the relevant area. For any unresolved investigation(s) or any not included in your portfolio please provide a brief summary and your reflection.

Complaints - A complaint is a formal expression of dissatisfaction or grievance. It can be about an individual doctor, the team or about the care of patients where a doctor could be expected to have had influence or responsibility. As a matter of probity you are obliged to include all complaints, even when you are the only person aware of them. All doctors should reflect on how complaints influence their practice.

Please select one of the following:

I am not aware of any unresolved complaints since my last ARCP ☐

I have unresolved complaint(s) since my last ARCP ☐

Please provide details of any complaint(s) you have been involved in since your last ARCP. Resolved complaint(s) should be reflected upon in your portfolio therefore please provide a brief summary and a reference to the relevant area. For any unresolved complaint(s) or any not included in your portfolio please provide a brief summary and your reflection.

Compliments - Compliments are another important piece of feedback. You may wish to detail here any compliments that you have received which are not already recorded in your portfolio. Please use a separate sheet if required.

Probity - Probity is at the heart of medical professionalism. Probity means being honest and trustworthy and acting with integrity. Probity is covered in paragraphs 56-76 of Good Medical Practice.

I declare that I accept the professional obligations placed on me in Good Medical Practice in relation to probity.

Please tick here to confirm your acceptance ☐

In relation to being subject to an investigation of any kind since my last ARCP:

I have nothing to declare ☐

I have something to declare ☐

Please provide details of any investigation(s) you have been involved in since your last ARCP.

Resolved investigation(s) should be reflected upon in your portfolio therefore please provide a brief summary and a reference to the relevant area. For any unresolved investigation(s) or any not included in your portfolio please provide a brief summary and your reflection.

Health - A statement of health is a declaration that you accept the professional obligations placed on you in Good Medical Practice about your personal health. Doctors must not allow their own health to endanger patients. Health is covered in paragraphs 77-79 of Good Medical Practice.

I declare that I accept the professional obligations placed on me in Good Medical Practice about my personal health.

Please tick here to confirm your acceptance ☐

I confirm this is a true and accurate declaration at this point in time and will immediately notify the deanery and my employer if I am aware of any changes to the information provided.

I give permission for my past and present ARCP portfolios (covering a period of five consecutive years in total) and / or appraisal documentation to be viewed by my Responsible Officer and any appropriate person nominated by the Responsible Officer, additionally if my Responsible Officer (prescribed connection) changes during my training period, I give permission for my current Responsible Officer to share this information with my new Responsible Officer for the purposes of Revalidation.
